

Over the last couple of years, Star Clippers has offered guests free daily yoga and meditation on selected Yogathemed sailings and we are planning similar voyages for 2017 sailings. With spectacular settings as a background,
yoga classes take place in the open air, on Star Clippers' ships' sun-warmed teak decks, under thousands of square
feet of billowing sails – the ultimate relaxation for body and soul, enhanced by the fresh sea air.
Star Clippers also invites you to concerts, conferences and thematic lectures during selected sailings.
Call Star Clippers or your Travel Professional for details of these special departures.
